ABOUT ZORBITZ KIDS

We welcome you to the Zorbitz family.

Starting out in 2003 with \$100, the mother daughter team of Marian and Robin really shows that with hard work, creativity and a desire to make a difference in the world, you can accomplish anything. Every piece in the Zorbitz Kids Collection is filled with love and has been inspired from different moments and memories from this team. Our products are loved by over 60 different celebrities and affordably priced, most under \$5 SRP. And we are proud to say many products are made in the USA.

Zorbitz has been seen in People, US Weekly, Teen, and Star, on Access Hollywood, Entertainment Tonight and several movies and television shows and worn by stars from Twilight, Hanna Montana, I Carly and more.

Zorbitz proudly donates a portion of the sale of every product to charities worldwide through Zorbitz and the Zorbitz Global Foundation. To date, we have contributed over hundred of thousands of dollars and saved the lives of millions.

But most importantly, we pride ourselves on taking good care of all our customers. Thank you for becoming a part of the Zorbitz family. We look forward to years of success together.
